

Home Maintenance & Repair Providers

SNOW REMOVAL

Would you like to earn extra money doing odd jobs for seniors and adults with disabilities? Home Maintenance & Repair Providers are needed to remove snow for clients' in the Halton Hills, Milton, Mississauga and Oakville areas.

The Links2Care Home Maintenance & Repair Program assists clients with finding a service provider to perform needed work in and around their home. Jobs could include yard maintenance, snow removal, painting, minor household repairs or seasonal housecleaning.

A Links2Care Seniors Coordinator for the Home Maintenance and Repair Program matches clients with providers. Clients pay the providers directly at prearranged, reasonable rates.

Own equipment and transportation is required.
